

COVID-19 UPDATED GUIDELINES

January 3, 2022

In this extended season of COVID-19, it is our prayer and desire to enable Walnut Hill to be a safe place for all to worship and grow in Jesus. For this reason, we have adopted the following guidelines for our facilities and ministry.

- Prevention

- Masks are recommended while inside church buildings.
- Masks are not required outdoors.
- We follow the CDC for guidelines related to quarantining. For more information, please visit: <https://www.cdc.gov/media/releases/2021/s1227-isolation-quarantine-guidance.html>

- Children and Youth at All Campuses:

- We follow official state school and pre-school guidelines which require masks for all children, youth and volunteers while serving with children and youth in our Children's/Youth areas. Appropriate mask breaks may be taken based upon state guidelines.
- Masks are recommended for everyone in our worship centers.
- Masks are not required outdoors.

- Our Commitment:

- Walnut Hill is committed to pointing people to Jesus, being a source of hope to our world and fostering Christian unity. For these reasons, we ask that people respect one another and make decisions that honor and look to the best interests of others.
- We continue to monitor the state and town recommendations and will keep you informed should our guidelines need to change.
